

**Statement on the Death of Iraqi
Governing Council President
Izz al-Din al-Salim**

May 17, 2004

On behalf of the American people, I condemn the brutal act of terrorism against Iraqi Governing Council President Izz al-Din al-Salim and several Iraqi citizens. Mr. Salim was a man of courage who risked his life in pursuit of a free, democratic, and prosperous Iraq. I offer our deepest condolences to the victims' families. I pray that God may give them strength in this hour of grief.

On June 30, the flag of a free Iraq will be raised, and Iraq's new interim government will assume sovereign authority. The terrorists know that a free Iraq will be a major defeat for the cause of terror, so they are trying to shake our confidence and will. The terrorists have found little support among the Iraqi people. The vast majority of Iraqi people want a free society. And the terrorists will find no success in their attempts to shake the will of America and our coalition.

**Notice—Continuation of the
National Emergency With Respect to
Burma**

May 17, 2004

On May 20, 1997, the President issued Executive Order 13047, certifying to the Congress under section 570(b) of the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 1997 (Public Law 104–208), that the Government of Burma has committed large-scale repression of the democratic opposition in Burma after September 30, 1996, thereby invoking the prohibition on new investment in Burma by United States persons contained in that section. The President also declared a national emergency to deal with the threat posed to the national security and foreign policy of the United States by the actions and policies of the Government of Burma, invoking the authority, *inter alia*, of the International Emergency Economic Powers Act, 50 U.S.C. 1701 *et seq.* On July 28, 2003, I issued Executive Order 13310 taking additional steps with respect to that national emergency by putting

in place an import ban required by the Burmese Freedom and Democracy Act of 2003 and prohibiting exports of financial services to Burma and the dealing in property in which certain designated Burmese persons have an interest.

Because actions and policies of the Government of Burma continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States, the national emergency declared on May 20, 1997, and the measures adopted on that date to deal with that emergency must continue in effect beyond May 20, 2004. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing for 1 year the national emergency with respect to Burma. This notice shall be published in the *Federal Register* and transmitted to the Congress.

**Message to the Congress on
Continuation of the National
Emergency With Respect to Burma**

May 17, 2004

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. I have sent the enclosed notice, stating that the Burma emergency is to continue beyond May 20, 2004, to the *Federal Register* for publication. The most recent notice continuing this emergency was published in the *Federal Register* on May 19, 2003.

The crisis between the United States and Burma, constituted by the actions and policies of the Government of Burma, including
